

Pensión Salomé

Madrid

Pensión Salomé, recently renovated and modernized, offers well-kept rooms and a welcoming atmosphere. Situated in the centre of Madrid, in the quiet *Universidad* district, it is at 10 minutes walking distance from Puerta del Sol; Plaza de España with its historical sky-scrapers and its cinemas can be reached in 5 minutes. From there, you can join Madrid's nightlife on Gran Vía. The Metro station Noviciado (exit Ministerio de Justicia) is on Salomé's doorstep, and only a few steps away you'll find typical *bares de tapas* (pubs offering a variety of typical snacks). And with all these attractions close at hand, you'll still be able to sleep well, because *Calle del Pez* is a small street without much traffic.
